Piedmont Plastic Surgery

305 A West Alexander Avenue * Greenwood, SC 29646
(864) 223-0505 Fax: (864) 223-7075

Welcome To Our Office

We appreciate your selection of Piedmont Plastic Surgery to serve your medical needs. So that we may better serve you, we ask that you review the following information. If you have further questions, please do not hesitate to ask.

About Your Physician

Dr. Vaughn completed his residency and fellowship training at the Medical University of South Carolina in Charleston. He is board certified in Plastic and Reconstructive Surgery and, in addition, is one of the few surgeons in South Carolina to have passed his certifying examinations in hand surgery. Dr. Vaughn has extensive training in all aspects of cosmetic and reconstructive surgery, including state of the art microsurgical and endoscopic surgical procedures. He routinely handles the full spectrum of facial and body aesthetic procedures, including facial surgeries, body contouring, liposculpture and breast surgery. Dr. Vaughn is an active member of the American Society of Plastic Surgeons and the exclusive American Society of Aesthetic Plastic Surgeons.

Hospital Affiliations

Dr. Vaughn has admission and surgical privileges at Self Regional Healthcare, Laurens County Hospital and Abbeville County Memorial Hospital.

Your Appointment

Our receptionist is available to assist you Monday through Friday from 8:30 a.m. to 5:00 p.m.

On your first visit, we will begin your permanent record. Please bring insurance cards and other pertinent information with you. Please let us know if you have been referred by another physician so that we may report to him promptly.

While we try to do our best to stay on schedule, emergencies and lengthy surgical procedures may cause us to run late. We know your time is valuable and we do not like to keep you waiting. If we foresee a long delay, we will try to notify you beforehand. Thank you for your patience and understanding.

If you are unable to keep your appointment, please call our office as soon as possible.

Consultation for plastic Surgery

After reviewing a video concerning the specific cosmetic procedure in which you are interested, you will have an in-depth discussion with Dr. Vaughn in which he will examine you and discuss the procedure with you. He will tell you how it is performed, what results you can expect, how long recovery will take as well as complete information on the risks and possible complications that may be involved. In addition he will answer all of your specific questions.

Your Surgery

Surgeries are done in our office and at area hospitals depending on the type of surgery and the patient's general health.

Hospital and Outpatient Surgeries:

Surgeries performed at the area hospitals may be either in-patient or outpatient (same day) surgery. You may be required to have several tests performed prior to your surgery. These tests will be done at the hospital or surgery center within the week of your surgery date. Our staff will give you all the information specific for the facility selected and work with you to schedule the best time for your surgery at the time of your appointment.

Office Surgeries

If you are in good health, you may be a candidate for surgery in our office. Our office surgery suite offers the advantage of privacy, less expense, a staff devoted exclusively to plastic surgery and the overall relaxed and personal experience for you. Piedmont Plastic Surgery is accredited by the American Association for Accreditation of Ambulatory Facilities, Inc. ensuring the highest standards of safety and quality care to patients. Specific information concerning office surgeries will be given to you at the time of your appointment.

Emergencies

Emergencies will always receive priority regardless of the day or time. After regular hours, Dr. Vaughn can be reached through the operator at Self Regional Healthcare by dialing 227-4111. The operator is informed of his location and will contact him for you. When Dr. Vaughn is out of town, a qualified physician will be taking his calls.

Financial Policies

Insurance Claims: We file insurance claims to all carriers as a courtesy to you. Dr. Vaughn is a participating provider of State Blue Cross/Blue Shield, Cigna, Medcost, First Health, Medicare, and Champus. While assignments for these claims are accepted, you are responsible for the full payment of all associated non covered services, deductibles and co-payments. Remaining balances for carriers not listed above are the patients responsibility. We will bill the balance after receiving the amount covered by your insurance company. The balance is due within 30 days unless formal payment plans have been made with the office.

Cosmetic Surgery

Skin Care based on medical science can provide dramatic results. Our goal at the Skin Care Clinic is to help you achieve clearer, smoother, healthier skin. We offer a comprehensive skin care program for skin maintenance as well as the treatment of environmentally damaged skin, uneven pigmentation and adult acne. Through the use of many different treatment modalities including exfoliation, light chemical peels, skin care products and prescription medicine, we can help you obtain your best result. Our team of registered nurses will formulate a treatment program and skin care regimen designed specifically for you. If you would like more information, please call our office and arrange a consultation.

Patients seen in the Piedmont Plastic Surgery Skin Care Clinic are expected to pay for services when rendered. Non-prescriptive skin care products are subject to a 5% retail tax.

We accept cash, checks, Visa, MasterCard, and Discover.
