

**Ted R. Vaughn, M.D.**  
Cosmetic and Reconstructive Plastic Surgery  
Diplomate American Board of Plastic Surgery

October 2022

It is with great sadness that we announce Dr. Ted Vaughn passed away September 7, 2022. Caring for his patients was the most rewarding part of his 31-year career at Piedmont Plastic Surgery. He knew many of his patients and their families as friends and he was honored to care for each of them.

Self Regional Healthcare has recruited Dr. James “Beau” Fowler to practice plastic surgery. He will begin practice in our location on January 3, 2023, which will be called Lakelands Plastic Surgery. We are happy to welcome Dr. Fowler to the Greenwood community and look forward to helping him continue the level of exceptional care in plastic surgery that the Lakeland’s has come to know. Through Self Regional Healthcare, Dr. Fowler will be assuming the care of the patients of Piedmont Plastic Surgery.

Choosing a physician for your care is always your choice. If you would like other options, you may go to the website of the American Society of Plastic surgeons at [www.plasticsurgery.org](http://www.plasticsurgery.org) for a list of Board Certified Plastic Surgeons in your area. If you would like to transfer your records to another physician (other than Dr. Fowler), please contact us by December 1, 2022 and we will help you. The staff of Piedmont Plastic Surgery is available Monday, Tuesday and Thursday from 10 AM until 2 PM. Please be aware, the office will be closed from December 19-December 30.

On January 1, 2023, your medical records will be transitioned to Self Regional Healthcare, which will be the custodian of your records going forward. Requests for records after this date will need to be made to Self Regional Healthcare. An authorization to obtain your medical records can be found on Self Regional’s website. Just go to: [www.selfregional.org/healthcare-information/medical-records-requests/](http://www.selfregional.org/healthcare-information/medical-records-requests/) and click on the “Request Your Medical Records Here” button.

Thank you for your support over the years. We wish each of you a happy, healthy future.
